BROCHURE 2023-24

WHY DUBLIN BUSINESS SCHOOL?

1. DBS is the largest independent third-level college in Ireland.

2. Our certificate, degree and postgraduate programmes are awarded by Quality & Qualifications Ireland (QQI).

3. Our primary focus is to make the best learning experience for our students through constant improvements.

4. Our certificate, degree, and postgraduate programmes are all designed to provide students freedom in choosing their careers. We offer a range of Arts, Business and Law programmes at certificate level (level 6), ordinary degree level (level 7), honours degree level (level 8), postgraduate diploma level (level 8) and masters level (level 9) of the National Qualifications Framework.

5. We are aware that you may need different types of support as you progress in your studies, be it academic direction, career advice, mentoring or personal attention.

6. The assigned Programme Leader will support and

facilitate the development of students during their time of academic study in all of our full-time and part-time undergraduate and postgraduate programmes.

7. DBS has established a considerable international reputation for the quality of its programmes over the last 47 years at both government and individual student levels. Students from over 70 countries participate in our programmes.

8. All our programmes have been designed and developed in collaboration with industry and professional bodies so that you will have the skills and knowledge for a successful career.

9. We organise, through our dedicated student services department, a range of social, sports and developmental activities for students.

10. DBS is located right in the heart of Dublin, just a two-minute walk from St. Stephens Green, the Luas, and all major bus routes.

STUDENT SERVICES

Students are the primary focus of DBS. We understand that college is much more than what happens inside the classroom. A lively college life, making friends and memories is equally important as they will stay long after your time in the classroom has ended.

Our students' wellbeing is our highest priority. The dedicated Student Services Department takes care of all the needs of our students. We take a holistic approach to college life, combining academics with a lively social life. The Student Services Team serves to:

- Provide information, guidance, and assistance to all college students, whether they are facing issues related to housing, finance, J1 visa, or study.
- Promote the academic and personal growth of students.
- Provide support in different ways, from forming sports teams to offering personal guidance.
- Emphasise on empowering students while fostering their development.
- Establish a connection between faculty and students.
- Establish a process for informing students.
- Provide a forum where students can voice their opinions on academic and administrative matters.
- Represent itself as the face of the college to both students and those outside the college.
